Our Programs

- Provide each student with a strong, positive academic foundation to ensure individual future success in school.
- Feature a child-centered, faith based, developmentally appropriate curriculum aligned with the NYS Prekindergarten Common Core Standards.
- Focus on building self-esteem and developing problem solving skills.

For more information or to schedule a tour, contact The Office of Admissions at 607-748-7423 x3 or your school of choice.

The journey through childhood is a once in a lifetime experience.

All of our programs are designed to foster independence and positive self-concepts.

2 Year Old Program

Our Times 2 Program is a parent and child program that offers the two year old child an opportunity to:

- Explore the school environment
- Experience a classroom routine
- Choose independent activities
- Follow simple directions and transition between activities

It is our goal to exceed your expectations in all of our preschool programs.

3 Year Old Program

The focus of our 3-year-old program is to promote socialization and emotional development through cooperative play and positive social interaction.

Our program:

- Incorporates pre-reading/literacy activities to encourage a love of literature
- Introduces letters, numbers, shapes and colors
- Addresses gross motor development using music and movement
- Encourages small motor skills through teacher-directed activities and free-choice play

4 Year Old Preschool Program

Our 4-year-old program is academically based with an emphasis on social, emotional and physical development. The program is developed to offer the students:

- An opportunity to explore topics in math, science, pre-reading, writing, art, music and religion
- Daily and weekly activities revolving around the “letter of the week”

5 Year Old Transitional Kindergarten

The Transitional Kindergarten Program is designed for children who are 5 on or before December 1st. It is a deferred entry kindergarten program. Our “TK” and kindergarten programs work hand-in-hand to enhance learning and better prepare each child for a positive academic future.

The TK program offers:

- In depth thematic units based on the “letter of the week”, incorporating appropriate math activities
- An extensive hands-on science program
- Social studies units introducing students to our community and to the larger world
- Pre-reading and writing activities with an introduction to grammar
- More in-depth attention to Catholic prayer and practice
- Music and art integrated daily
- Integrated SMART technology
